

McDONALD'S® IN THE LINE-UP 2008.09 REGISTRATION

McDonald's wants to save a space for you in the Vancouver Canucks starting line-up. All season long, McDonald's will feature one lucky minor hockey player between the ages of eight and thirteen, who will be in the Canucks starting line-up. Not only will you lead the Vancouver Canucks onto the ice for the pre-anthem skate, you'll also stand with the starting line-up during the singing of the national anthem in front of 18,630 of the greatest hockey fans in Canada.
